

Arborvitae

Thuja plicata 5 mL

dōTERRA™

PRODUCT INFORMATION PAGE

Application:

Plant Part: Wood

Extraction Method: Steam distillation

Aromatic Description:

Woody, warm, earthy

Main Chemical Components:

Methyl thujate, hinokitiol, thujic acid

PRODUCT DESCRIPTION

Known as the “tree of life,” Arborvitae is majestic in size and abundant in benefits. Arborvitae essential oil has a high content of tropolones, a group of chemical compounds that have powerful cleansing properties. Native to Canada, all parts of the Arborvitae tree were used extensively by Native Americans for building vessels, totem poles, baskets, and clothing.

USES

- Diffuse to cleanse the air of odours inside the home.
- Mix 4 drops of Arborvitae essential oil and 2 drops of Lemon essential oil for a natural wood preservative and polish.

DIRECTIONS FOR USE

Diffusion: Use three to four drops in the diffuser of your choice.

Topical use: Apply one to two drops to desired area. Dilute with dōTERRA Fractionated Coconut Oil to minimize any skin sensitivity. See additional precautions below.

CAUTIONS

Possible skin sensitivity. Keep out of reach of children. If you are pregnant, nursing, or under a doctor’s care, consult your physician. Avoid contact with eyes, inner ears, and sensitive areas.

PRIMARY BENEFITS

- Powerful cleansing agent
- Natural wood preservative and polish.
